

Parent Participation

Our Preschool and Daycare provides a warm and caring atmosphere, each child experiences individual and group activities designed to meet their developmental needs.

Recognizing that a child's parents are their first and most important teachers, Preschool and Daycare work in partnership with parents, guiding these young children and their families through their crucial learning years.

We welcome parents' participation.

Preschool and Daycare

A State and Federal Accredited Program

The mission of SS. Peter and Paul Catholic School is to create a Christ-centered, safe, and nourishing environment that helps students develop their full academic, emotional, physical, social, and spiritual potential.

Preschool

SS. Peter and Paul Catholic School Preschool is an early childhood program dedicated to serving children 3 to 5 years of age.

In our learning program, children come to experience the world in a nurturing community setting. Our curriculum is center based, offering children a variety of multi-sensory activities to cultivate their enthusiasm for learning. Children also participate in computer, music, and art classes. This balanced approach serves to nurture the child's self-esteem while promoting awareness of the world around them.
