

Tradition

SS. Peter and Paul Catholic School was established in 1868 and has consistently provided a quality Catholic education to children from preschool through the eighth grade.

SS. Peter and Paul Catholic School is a fully accredited institution that is committed to emphasizing the core curriculum as well as the areas of fine arts, computer literacy, physical education, and music. At SS. Peter and Paul Catholic School, the students are engaged in spiritual, moral, intellectual, emotional, physical, and social growth.

Innovations

Technology is an essential element of today's society. Classrooms have computers and interactive white boards to enhance the learning experience. Students are taught keyboarding, the use of software, as well as the fundamentals of computers in our computer lab.

The library's vast selection of books sparks each student's excitement in reading. The online Renaissance Place has more than 140,000 quizzes available. Home Connect lets parents track their child's progress in reading.

Parent Reflections

"SSPP provides a perfect blend of religion and leading edge education that instills the right mix of values, morals, and self-confidence."

John C.

"Our children's education of God and in academics is in the strong and capable hands of people of faith."

Chris M.

"The value of a Catholic education and return on our investment is priceless! SSPP school is part of a welcoming community setting that provides a faith-filled learning environment."

Renee C.

"The respect and attention your child receives at SSPP strengthens their talents and self-esteem."

Lauren W.

Preschool through Eighth Grade

The mission of SS. Peter and Paul Catholic School is to create a Christ-centered, safe, and nourishing environment that helps students develop their full academic, emotional, physical, social, and spiritual potential.

Faith

We value the presence of Christ in all aspects of education. Our students experience the person of Jesus and a sense of Christian community and a will to live their lives based upon values of the Gospel.

Daily prayer
Twice weekly All School Mass
Altar server training
Religion class
Sacramental preparation
Personal faith development
Religious Retreat for grades 2, 5, 6 and 8
Catholicism incorporated in the curriculum
Rosary and prayer services

Communication

Our faculty communicates regularly with families through an online secure service. This service gives families the ability to message teachers and families, view assignments and access grades.

Community Enrichment

During their years at SS. Peter and Paul Catholic School, our students create lifelong ties to our Catholic faith through ministry and service in parish and the community.

Our parents and alumni are an integral part of our community and their involvement in our school.

Academics

The curriculum provides a solid basis for our students to be well prepared to assume a role in society and a lifetime quest of knowledge.

The core curriculum at SS. Peter and Paul Catholic School includes reading, language arts, math, social studies, science and religion. Every student also participates in art, computers, music, and physical education. SS. Peter and Paul Catholic School offers a **full day Kindergarten program**.

Our preschool has classes for 3 and 5 year olds. The center-based curriculum offers children activities to cultivate their enthusiasm for learning. They also participate in computer, art and music classes. This well-balanced approach nurtures the child's self-esteem while promoting awareness of the world around them.

Faculty

Each teacher possesses the knowledge, experience, and love for teaching that is necessary to guide and inspire students to realize their full potential. Teachers are state and diocesan certified.

Extended Care

Daycare is open year-round Monday through Friday for participants in the Preschool program.

The before and after school Latchkey program opens at 6:30am and closes at 6:00pm and is open most "Non-School" days.
